Re: Case 24-T-0113 - Application of PSEG Long Island LLC on Behalf of and as Agent for the Long Island Lighting Company d/b/a LIPA for a Certificate of Environmental Compatibility and Public Need Pursuant to Article VII of the Public Service Law for the Southampton to Deerfield Transmission Project

Dear Secretary Phillips:

PSEG Long Island LLC, on behalf of and as agent for the Long Island Lighting Company d/b/a LIPA, a wholly-owned subsidiary of the Long Island Power Authority in the above-referenced proceeding, encloses for filing one (1) electronic copy of its Environmental Management and Construction Plan (“EM&CP”) for the above-referenced project.

Contemporaneously with this filing, PSEG Long Island has also served either a hard or electronic copy of this EM&CP, consistent with the Certificate Conditions, as noted on the attached Distribution and Service List for this proceeding. An Affidavit of Service evidencing this service will be provided under separate cover.

PSEG Long Island has established a website to provide additional information to the public about the Project: <https://www.southampton2deerfield.com>. An electronic version of the EM&CP will be available for public inspection on this website. The EM&CP may also be viewed online at the website maintained by the New York State Department of Public Service at [www.dps.ny.gov](http://www.dps.ny.gov). From the homepage, click on “Commission File” then “File Search,” and enter the case number, 24-T-0113, in the “Search by Case Number” field.

If you have any questions regarding this filing, please contact the undersigned (kara.krueger@psegliny.com) or PSEG Long Island’s outside counsel, Angela Cascione (acascione@cullenllp.com). Thank you for your time and attention to this matter.

Respectfully submitted,

/s/ Kara Krueger
