

## **Southampton to Deerfield (SHDF) Transmission Project Construction Notification**

We are writing to inform you that the Southampton to Deerfield Transmission Project will begin conduit and vault installation activities on **North Main Street** (south of CR39) on or about **February 18, 2026**.

### **What You Can Expect:**

- Location of Work:
  - **North Main Street**, between Willow Street and CR39A
- Work Hours:
  - The Project is permitted to work Monday through Saturday, 7:00 a.m. to 7:00 p.m.
  -
- Construction Activities:
  - Conduit installation is anticipated to take 5-7 days, depending on construction activities and weather conditions.
  - Vault Installation is anticipated to take approximately 3 days, depending on construction activities and weather conditions.
- Traffic Management:
  - North Main Street will be periodically **closed** during work hours between Skinner Street and CR39A for vault installation activities beginning on or about **February 18, 2026**.
  - The Project will coordinate closely with first responders to allow access for emergency services vehicles when needed.
  - Please reach out to the project at the contact information below if you have any concerns about access.
